HITCH YOUR WAGON TO A STAR

Toward what far end we may move
We do not know; But a smooth
Steadfast mind, and calm desires
We grasp for wher'er we are;
And just as long as we may go;
On we'll fight with every foe,

Learning all that we can grasp,
Accepting gratefully, hard tasks;
Doing what is to be done
Every day from sun to sun;
And bearing pain gallantly,
M H S graduates are we.

When we first entered your doors,
Just how soon twould all be o'er
Had never rescued our vast thoughts;
Then, of deep sighs we had naught.
But now four years have slipped away,
Sweet memories of them we have today.

We'll follow your great teachings
Where we're about to do big things,
For to build is our main goal
We of '36 planned long ago;
As our motto has been thus far
"Hitch your wagon to a star."

George Lienhart, vice-president; Virginia Perry, secretary; Maxine Smart, treasurer; and William Wikoff, Sergeant at Arms. Miss Bell again, much to our delight, was hailed as our sponser over us dignified seniors. This year the class presented the play, "The Million Dollar Butler," which was enjoyed by everyone. On May 7 we skipped school, avoiding lessons and teachers, to Starved Rock, where a very happy-go-lucky day was spent, coming home with sunburns and smiles. Our chaperones were William McGuire and Franklin Thrift. On May 8 we were entertained by the juniors at a banquet held in the gym. The idea carried out was in the style of a southern plantation. The gym was decorated better than ever before. Everone thoroughly enjoyed themselves.

On May 25 we were entertained in the home of Mr. and Mrs. Keyes and on May 28 were guests at the high school picnic in Decatur.

We picked as our commencement topic "After High School--What?" This topic was discussed by several of the members of the class. Rev. George Mayo was the Baccalaureate speaker. Commencement exercises were May 29 ending a busy period for not only the seniors but everyone.

And now as our parting days grow nearer we shall leave our Alma Mater with the deepest regret, having only those unforgettable memories to cling to.

HISTORY OF CLASS OF '36

The end of four years--four years chuck-full of happy unforgettable happenings. As we now think back over this span of time, how short it seems, and how we would like to once again live over these High School Days!

The class of 1936 first entered the portals of Maroa High School in the fall of '32. Although somewhat bashful we were full of ambition and were determined to get the best out of all that the high school offered. We were divided into two groups, with Miss Garrison and Miss Ferree as our class sponsors. The annual freshman weiner roast was held in our honor at George Stein's. We chose as class officers Virgil Ogden, president; Maxine Smart, vice-president; William Berry, secretary; and William Glosser, treasurer.

The next fall we again assembled our ranks and did our little bit of "mothering" the Freshies, having more confidence to avenge last years humiliations. We now had a better understanding of the life about us, and entered into this year more willing than ever. Our sponsors for this year were Miss Garrison and Miss Ferree, being replaced by Miss Bell at the beginning of the second semester. Our social functions were few, confined to one picnic held at Nelson Park in Decatur. At the first class meeting Bonnie Meers was chosen president; William Glosser, vice-president; William Berry secretary; and Junior Luckenbill, Treasurer.

Then came the Junior year when we could proudly call ourselves "upper-classmen." We were put into one group this year in the library, with Miss Bell having the responsibility of "taming and training" this over-eager group into their place as Juniors. Living up to our name as upper-classmen, we became more popular in high school. We furnished track, basketball, and football men; participated in clubs and various organizations; ranked along with the rest in scholastic records. The class officers for this year were Maxine Smart, president; John W. Parker, vice-president; Patty Cramer, secretary; and Dorothy McGuire, treasurer. At the last part of the year we held another picnic at Nelson Park; and on Friday Nov. 12, with a cast of twelve members we presented the comedy "Girl Shy", which was a success in all ways--especially in adding a considerable sum to our treasury. The cast was also invited to give the play a second time at Kenney High school one week later. It was with this money that we very proudly gave the annual Junior-Senior banquet at the Decatur Club in Decatur on May 17. During this year the Hi-Tri was organized and the girls in this class were delighted to have been able to be one of the classes that started that grand club.

The coveted Senior year arrived. Realizing it to be our last year spent in this happy atmosphere, we vowed to make the most of it. The class officers elected were John W. Parker, president;

LAST WILL AND TESTAMENT

We, the Senior Class of 1936 of M.C.H.S., in the County of Macon, and State of Illinois, being of sound mind and memory and considering the uncertainty of this frail and transitory life, do therefore make, ordain, publish, and declare this to be our last will and testament.

FIRST, we order and direct that our executors hereinafter named have this published as soon after our decease as will be convenient.

SECOND, after the publication of this document we wish that the following bequests be given:

Clause VI, to the office, a carpet.

Clause VII, the members of the class of 1936 do separately give, devise, and bequeath to our legatees the following material in these articles, to wit:

I, George Lienhart, bequeath my quiet nature and low gentle laugh to Robert Cox so that he will be as popular in the balconies of the Decatur theatres as I have been.

HI-TRI

The Hi-Tri started its second year under the sponsorship of Miss Hallford and the leadership of the following officers: President--Maxine Smart; Vice President--Ruth Milnes; Secretary--Patricia Cramer; Treasurer--Myrna Morgan. Many topics of great interest to the girls have been discussed at the meetins, held each Tuesday eighth hour.

The Hi-Tri Banquet was held in the gym April 13. Dinner was prepared by Mrs. Mary Bennett and served by Hi-Y boys. After the program the new officers were announced and installed. They are: President--Louise Ann Parker; Vice President;; Myrna Morgan; Secretary--Louise Miller; Treasurer Eva Alberts.

HI-Y

Forty-five members have taken part in the regular meetings of the Hi-Y Club held each Wednesday, eighth hour. The leaders have tried to place emphasis on discussion of local school problems.

The Hi-Y banquet which is held every year was held May 18 in the gym. A grand dinner was prepared by the mothers of the boys and a group of senior girls served. John Parker was toastmaster and a short program was presented.

In February they had a "big feed"--all you could eat for a nickel--in which they had beans, more beans and still more beans. Claire Hobbs was the chef of the hour and the boys had a great time. In May the boys went on a camping trip to "good ole" Salt Creek and enjoyed their own cooking for the weekend.

The officers for the club are:

President--Ronald Mayo

Vice President--Ike Luckenbill, Bob Cox
John Parker

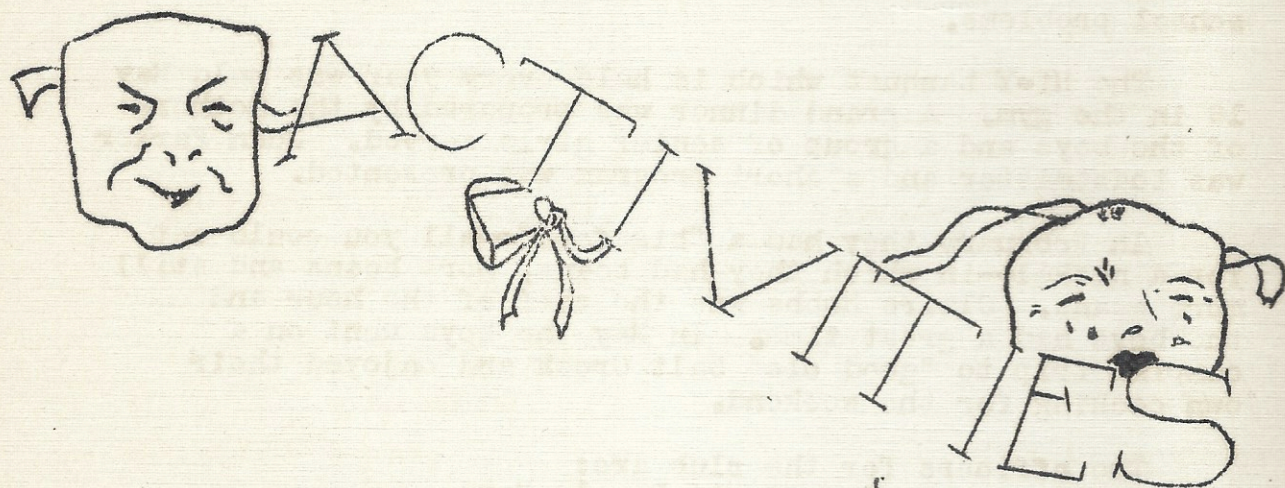

Secretary--Ralph Hanes

Treasurer--Casimer Halicki

In addition to the regular recreation hour in which the boys play basketball and other games, several games were played with outside organizations such as the Tuxis Club of Decatur and the Good Fellows Club of Bloomington.

The club has had a very successful year under the leadership of Mr. Keyes as advisor and by the cooperation of all the members.

BLUE AND GOLD

The year is over, and what a short year it has been! The Blue and Gold will help you remember this year in time to come. We, the Staff, hope it has been the way you like it.

Next year a new Staff will take it up where we left off. Bear with them and be patient, for it takes a while to get used to it.

This annual has been published with the help and financial aid of both the Blue and Gold and the Senior Class, and we hope you like it.

I personally want to thank the staff of our Blue and Gold for their fine cooperation during this year. Good luck to the staff next year.

And to all--as Reverend Mayo said in closing his Baccalaureate address--

May God bless all of you!

Junior Senior Banquet

The Junior Senior banquet was held May 8 in the High School gym. The Southern theme, carried out in decoration and favors, lent itself well for the occasion. The waitresses wore old fashioned full dresses, thus also carrying out the main theme.

Seniors
Board of Education
Mr. Ira Barnes

GIRLS GLEE CLUB

Forty-one girls from the student body were chosen by Miss Bell to carry on the Girls Glee Club for the year 35-36. This large group met on Thursday eighth hour during the year.

At Christmas, the girls glee club and the boys glee club combined to present a cantata which did honor to them and their director.

"The Lucky Jade", the operetta, took both glee clubs and so they again went together to present it on April 25 in the gym. A cast of 75 from the high school gave this grand bit of work under the direction of Miss Bell.

ORCHESTRA

This year the Maroa High School Orchestra of twenty-two pieces was organized from the student body. The majority of the orchestra members had just begun their training at the beginning of the year. The orchestra made no public appearances during the year but played selections for Baccalaureate and Commencement. Under the supervision of Mr. Hess and Miss Alicia Sleet the orchestra has a marvelous send-off for the coming year. It will lose only four of its members through graduation.

BOYS GLEE CLUB

Due to the fact that eighth hour activities were so numerous, the Boys Glee Club of the high school was organized late in the year and had no regular time for rehearsal. They combined with the girls glee club to present the Christmas cantata and the operetta which were the only two appearances they made during year.

FOOTBALL-BASKETBALL

The football schedule of 35 went over great considering the green material we had and a Coach we weren't used to. The season opened rather slowly when we took a beating from Cerro Gordo. One week later we traveled to Stonington to take another 6-0 beating. The team was just beginning to get started and find themselves. The next week we beat Illiopolis 13 to 6 after a terrific and hard battle. One week later we played Blue Mound to get beaten to the tune of 19 to 13. We were now getting into the Conference games by going to Lovington to play the worst game of the season and to be held to a 0-0 tie. One week later a very determined MCHS football team took the field at night to hold Bethany to 6-0. Bethany was slated to score 2 touchdowns a quarter. Although we were on the short end of the score it was a moral victory for the Blue and Gold grid men.

One week later we took the field against Hammond to determine who was to be second in the Conference for 35-36. We came out on top with a score of 12-6. Very good football was displayed during certain parts of the game. The season was not so good as far as wins and losses were concerned but I am sure that the experience gained by the new men will help very much in the season that is to follow.

The 1935-36 basketball season got under way a little better than the football season for we were used to the coach and his methods of coaching. Things did not look so good until after the Macon County Tournament in which we took 3rd place. The next big tournament was the District which we held at dear old MCHS. We seemed to have lots of luck those three nights when we played. Dalton City was the first one to fall under the attack of the Maroa Cage men. Niantic, the County Champs came next to be put away by an easy margin. On the final night before a packed gym the Blue and Gold Cage men took the floor in the last game of the tournament to beat Wapella by 10 points to win and keep the big place which was given as first place trophy in the MCHS trophy case. Thirty seconds after the game ended the gym was in an up-roar. Well why shouldn't it be?

The following week we traveled to Clinton to take part in the Regional Tournament. We were put out of the tournament by Macon the first night by a three point margin. So ended the MCHS basketball season for 35-36.

I am sure all senior members of the football and basketball teams will join me in wishing Captain Mayo and his football squad and co-captains Cox and Benton and the basketball squad the best of luck in the coming season. So the best of luck, fellows, and you too, Coach Boll!

ANNUAL

G. A. A.

The physical education classes under the supervision of Miss Hallford, organized the Girls Athletic Association for 1935-36. This club took in around seventy girls.

The club decided to have a "Round Robin Basketball Tournament" for the girls. In the final game of this tournament the juniors beat the seniors to take first place.

On Friday nights after school the girls took over the gym to play games and practice basketball. Occasionally they had the gym to themselves on Tuesday nights.

CAMERA CLUB

An enthusiastic group of students organized Camera Club for the first time this year. Mr. Keyes lectured to the group on the kinds of cameras, types of film, how to use a camera, etc.

The small inexpensive Univex Camera was introduced into high school, and a mania for taking pictures developed. There were fifty cameras in school at that time. Through this club a greater interest has been developed in the art of photography. Since photography plays such an important part in the world today, this Club is a fine addition to our Extra-Curricular scheme.

RADIO CLUB

Setbuilding has been the main work of the Radio Club work this year. About fifteen members took an active interest in the work and several radio sets were completed. They have experimented with amplifiers and had code practice often.

Buddy Leach was president for the year with Robert Cox, secretary; LaVerne Cotton, treasurer.

MATH CLUB

The advanced mathematics class of 1936 organized a new club in Maroa High School under the capable assistance of Mr. DuBois. It was called the Math Club. During the year meetings were held in which mathematical subjects were discussed. "The History of Mathematics", "Finding the Cube Root of a Number", and "How to Trisect an Obtuse Angle" were some of the topics. These discussions helped to create in the minds of the members a greater interest for mathematics. The club had a chili supper.

Mr. Keyes, to impress on his pupils the need of thinking before speaking, told them to count fifty before saying anything important, and one hundred if it was very important.

Next day, he was speaking, standing with his back to the fire, when he noticed several lips moving rapidly.

Suddenly the whole class shouted: "Ninety-eight, ninety-nine, a hundred. Your coat's on fire, sir!"

Speaking of grammatical errors, or, to satisfy the purists, errors in grammar, Lord Merley once said: "Neither you nor I am entirely ourselves."

His solecism was picked up by PUNCH which inquired: "Then who am we?"

"Are you a college man?"

"No, a horse stepped on my hat."
